

Court of Appeals, State of Michigan

ORDER

Keith Yohn v University of Michigan Regents

Docket No. 294135

LC No. 08-000109-MZ

Alton T. Davis
Presiding Judge

Peter D. O'Connell

William C. Whitbeck
Judges

The Court orders that the motion for leave of the Court to amend the complaint is treated as a motion to remand to the trial court to allow appellant to move to file an amended complaint. The motion is DENIED for failure to persuade the Court of the necessity of a remand because the trial court has already denied appellant's motion for leave to amend the complaint in a September 21, 2009 order. The present order is without prejudice to appellant filing a delayed application for leave to appeal the September 21, 2009 order under MCR 7.205(F).

The motion to strike appellees' answer is DENIED.

Appellant's motion filed on June 7, 2010 for leave to file a brief in reply to the answer is DENIED.

Appellant's motion filed on June 17, 2010 for leave to respond to appellees' answer is also DENIED.
